

## **LEFT COAST INVESTMENT STRATEGIES LLC BUSINESS CONTINUITY PLAN DISCLOSURE STATEMENT**

Left Coast Investment Strategies LLC (“Adviser”) has adopted a Business Continuity Plan (“BCP”) pursuant to the Investment Advisers Act and the rules and guidance of the U.S. Securities and Exchange Commission (“SEC”) and/or the laws of the states where the Adviser is registered. The purpose of the BCP is to define the strategies and plans that will be used by Adviser during a significant business disruption (“SBD”). The BCP is prepared to address both internal SBDs, such as a fire in Adviser’s building, and external SBDs, such as a natural disaster, terrorist attack, or citywide power disruption.

### **Our Business Continuity Plan**

In the event of a SBD, Adviser will safeguard employee lives and firm property. Adviser will work to re-establish the systems necessary to quickly recover and resume operations, protect Adviser’s books and records and allow Adviser’s customers to transact business to the extent reasonable and practical under the circumstances. Adviser’s BCP addresses: alternate office locations, customer access to funds and securities, financial and operational assessments, data backup and recovery, critical systems, alternative communications with customers, employees, and regulators, and critical business constituents.

### **Contacting Adviser and Accessing Funds and Securities**

If you are not able to contact Adviser through established channels, please contact us through our website at <https://leftcoastinvest.com> or my mail. If we are unavailable, you can contact our custodian for client funds, Interactive Brokers, at 1 (877) 442-2757 or visit their website at [www.interactivebrokers.com](http://www.interactivebrokers.com).

P.O. Box 80142  
Seattle, WA 98108-9998

### **Varying Disruptions**

SBDs can vary in their scope, from only our firm’s office, the business district where our firm is located, the city where we are located, or the whole region. Within each of these areas, the severity of the disruption can also vary from minimal to severe. During a SBD, the Adviser will continue to do business but the ability of Adviser to fully function will be dependent on outside sources outside of its control, including the availability of electricity, telephones, Internet, transportation, and the functioning of institutions and markets worldwide. Nothing in Adviser’s BCP or this disclosure statement is intended to provide a guarantee or warranty regarding the actions or performance of Adviser.
